Dear Marzena Nowak,

in the name of Berlin Practical Philosophy International Forum, e. V., we should like to thank Polki w Berlinie e.V., for wonderful cooperation during John Lach's Open Lecture that we organized on August 11, 2015. The organization of the event went smoothly, and we are very satisfied with the conditions that Polki w Berlinie provided with us. We hope to continue our cooperation in the future.

Best regards

Dr habil. Krzysztof (Chris) Piotr Skowroński,
the conference organizer
